

Name: _____

Writing Activity-Architect

You are an architect creating a new park for animals and kids! Draw a slide and monkey bars that kids and animals can use.

Draw your new park here.

Animals and kids will want to play in my park because.....

Name: _____

Writing Activity-Architect

You are an architect creating a new park for kids and animals! Choose two new features to add to your park and then draw your new park.

Draw your new park here.

Explain why you're adding two new features to your park:

Why should animals and kids come to your park?
