

Discovery Page Brainstorm and Plan

Write or draw items, people, or experiences that are important to you.

Discovery Page Archaeologist Log

Use the following Archaeologist Log to record artifacts that you find in the secret room you are investigating.

Artifact	Quantity	What might it mean?
Tennis Racket	2	This person played tennis

Write 3-5 sentences that tell what you learned about the person who made it. Take a guess as to which classmate you think created the secret room based on your findings.
