

Office of Tourism Evaluation for Ice Buildings

Check off if the ice building you are evaluating met the requirement.

- Building will increase tourism (example: hotel, train station, museum)
- Has a cardboard base
- Minimum of 6 inches tall and 4 inches wide
- Has a working door that opens and closes
- Sturdy: remains standing and does not fall over if lightly touched
- Fits a minimum of 4 small items inside (to simulate people)
- Incorporates “snow”
- Uses a minimum of 3 real ice cubes
- Uses at least 3 other building or art supplies
