# Writing Activity-Robotics Engineer

As a robotics engineer, you just put a robot inside of an airplane. While the robot was inside the airplane, something crazy happened! Answer the questions about what happened when the robot was inside of the airplane. Then, draw a picture!

What crazy thing happened when the robot was inside of the airplane?

---

---

---

---

---

---

---

---

How would robotics engineers feel if they found out about the crazy event?

---

---

---

---

Draw a picture of the crazy event that happened.

A large, empty rectangular box with rounded corners and a thick black border, intended for drawing a picture of a crazy event.

A series of ten horizontal lines are spaced evenly down the page, providing a template for writing.

Draw a picture of the crazy event that happened.
