# Writing Activity

You are a park ranger and you have to monitor the park at all hours of the night and in all places of the park. Sometimes it is important for you to use a flashlight or only explore certain places when it is light out!

**Why is it important for a park ranger to have light at night?**

---

---

---

---

---

---

---

---

**Is there a big difference in what the park looks like at night compared to during the day?**

---
