

Parent Letter

Dear Parents/Caregivers,

We are working on an exciting new science unit exploring sounds and vibrations. We will need a few household items in order to complete our activities. Please look at home to see if you could spare any of the following items:

- Empty tissue boxes
- Empty (clean) soup/metal cans
- Empty tissue boxes
- Pieces of string or ribbon
- Craft feathers

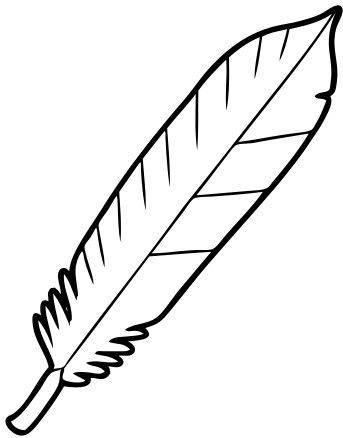

Please bring in supplies by: _____

Thank you!

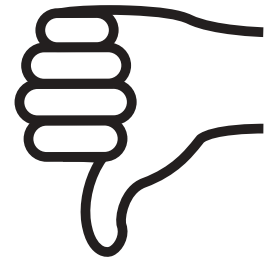

Name: _____

Testing Materials

Feather

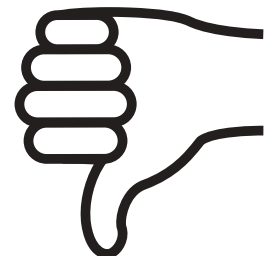

Did it make a strong vibration and a loud sound?

Piece of String

Did it make a strong vibration and a loud sound?

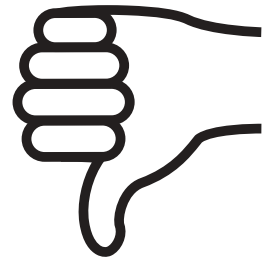

Name: _____

Testing Materials

Can

Did it make a strong vibration and a loud sound?

Metal Spoon

Did it make a strong vibration and a loud sound?
