

International Trade Specialist

An expert on how countries trade with one another.

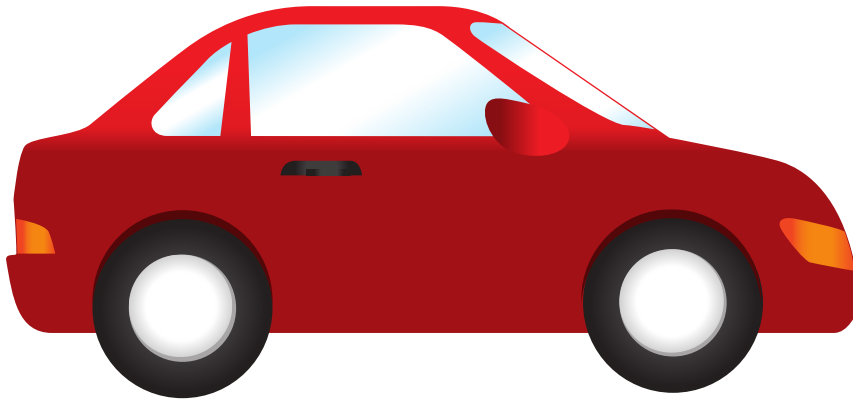

Lesson: Past vs. Present

Trade

To buy or sell goods or services.

Goods

A physical item that is bought or sold, like a car or a computer.

Services

An action or experience that is sold without a physical item, like tutoring.

Lesson: Past vs. Present

Embargo

An official ban on trade. An embargo can be on a person, company, or nation.
