---

---

## 3. Do you think it is hard to save money? Why or why not?

---

---

# Saving Money- Content Check

## 1. Why should people save money?

To have money set aside to buy something at a later time

To spend it right away and buy a toy

To hide it so no one sees it

## 2. What would happen if people never saved money?

- They wouldn't have enough money in the future.
- They couldn't buy something expensive in the future.
- Answers may vary.

## 3. Do you think it is hard to save money? Why or why not?

- Answers may vary. Students need to provide a reason.
