# Nazi Rise to Power

**The National Socialist German Workers' Party (Nazi Party) began in 1920 as a small political party. After WWI, Germany's economy was in terrible shape and the majority of Germans saw the government as weak and unable to fix the economy, allowing for the quick rise of Adolf Hitler and his Nazi Party.**

# Adolf Hitler

**A German politician and leader of the Nazi Party. He first came to power as Chancellor of Germany in 1933 then Führer in 1934. While he was in power, from 1933 to 1945, he became dictator. He started World War II in Europe by invading Poland in September 1939.**

# Germany after WWI

**Germany was forced to sign the Treaty of Versailles. Germans saw this treaty as humiliation because they were blamed for the entire war, and had to pay reparations, permanently reduce the size of its army, and destroy their tanks, air force and U-boat fleet.**
