# Writing Activity - Food Safety Inspector

You are a food safety inspector and you know the best disinfectant for killing bacteria in the cafeteria. Write a letter to your principal about why it is important to disinfect things and what you suggest to do to. Brainstorm ideas on this page. Then, write your letter.

What do you think are the two best disinfectants?

---

---

---

Why is it important to keep a cafeteria clean?

---

---

---

---

What would happen if the cafeteria was only cleaned once a week?

---

---

---

---
