

Landfills

Pros and Cons

Pros

- People wouldn't have to look at a big pile of trash in their city.
- It would be a fun place for kids to play.
- People can learn about landfills while visiting an attraction.

Cons

- It might smell!
- People might uncover old trash. Yuk!
- It could be expensive to turn the landfill into an attraction.

Items in My Landfill

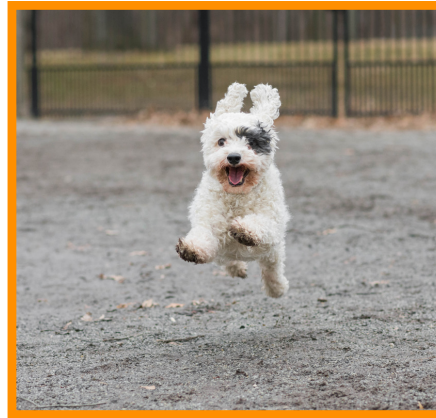

In each box, write or draw an item that is in your landfill.

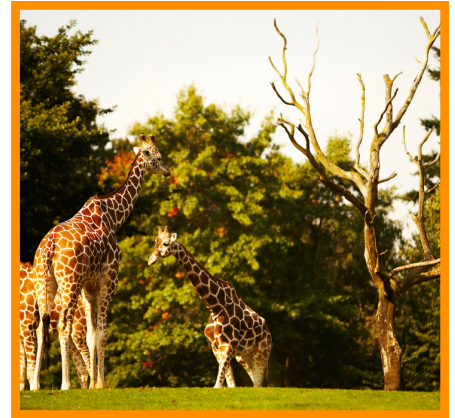

Options for Attractions
