## Teacher Key

### 1. What is the importance of the Second Amendment?

The Second Amendment gave American's the right to bear arms or own weapons.

### 2. Describe 1 argument that people give in favor of the second amendment.

Answers will vary. It allows American's to protect themselves, it is a part of American culture, it is apart of the Constitution and should be followed.

### 3. Describe 1 argument that people give in favor of gun control or abolishing the Second Amendment.

Answers will vary. Guns are much more powerful and destructive now than they were when the Second Amendment was written, gun control would decrease deaths and letting guns get into the hands of criminals.
