# What is a Community?

A television producer makes new television shows! Some television producers make shows about animals. Other television producers make shows about sports. Today, you will be a television producer and make a new television show about bees. Follow the steps below!

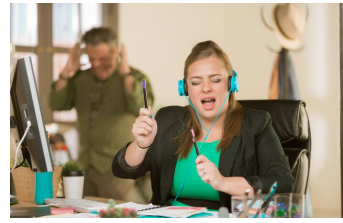

## Step 1: Read About Communities

Read about different parts of a community. Then, answer the questions below.

1. A community is a group of people who work, learn, or play together. Fill in the bubble under the picture that shows people in a community.

2. In a community, people care about others. Fill in the bubble under the picture that shows someone caring for others.

3. In a community, people listen to others. Fill in the bubble under the picture that shows someone listening to others.

4. In a community, people help others. Fill in the bubble under the picture that shows someone helping others.

## Community of Bees

Hi, I'm Cristian! I'm a television producer. A television producer makes new television shows! Do you have a favorite cartoon or show you like to watch?

Right now, I am creating a show called Buzz Elementary. The show is about a beehive where young honeybees go to school! The show's main character is Ms. Buzz. Ms. Buzz is the teacher at the school.

## Community of Bees

In the show, Ms. Buzz teaches the youngest honeybees who are in kindergarten. During one episode, she teaches the honeybees how to write and read.

During another episode, Ms. Buzz teaches the honeybees about how to use a magnifying glass to look at things up close!

# Community of Bees

Today, I am making a new episode! In this episode, Ms. Buzz will teach the honeybees about communities. A community is a group of people who work, learn, or play together.

Here are some examples of communities!

- A neighborhood is a community.
- A place to pray is a community.
- A place to work is a community.
- A school is a community.

Next, Ms. Buzz will explain how people should act in a community.

Here are ways people act in a community!

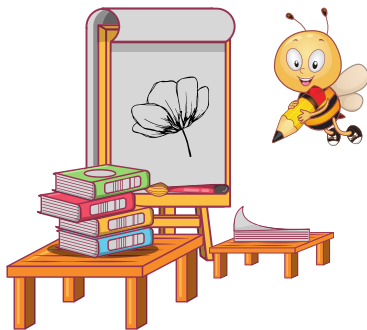

- In a community, people care for others.
- In a community, people listen to others.
- In a community, people help others.

What other things do you think people should do in a community?

## Community of Bees

Next, Ms. Buzz will teach the honeybees how they can be caring at Buzz Elementary. Look at the choices below. Which choice shows a bee taking care of another bee? Fill in the bubble under your answer.

Drawing a flower in art class.

Giving another bee a hug when he is sad.

Having a flying race at recess.

Next, Ms. Buzz will teach the honeybees how they can be great listeners at Buzz Elementary. Look at the choices below. Which choice shows a bee being a great listener? Fill in the bubble under your answer.

Interrupting while someone else is talking.

Playing with a toy while someone is talking.

Looking at someone and paying attention while he or she is talking.

## Community of Bees

Looking at someone and paying attention is a way to be a great listener. Listening to others is an important part of being a member in a community.

Can you think of a time you were a great listener at school?

Last, Ms. Buzz teaches the honeybees how they can be helpful at Buzz Elementary. Look at the choices below. Which choice shows a bee being helpful? Fill in the bubble under your answer.

Picking up trash on the  
playground.

Eating a snack.

Reading a book.

## Community of Bees

Picking up trash on the playground is a way to be helpful. When we pick up trash, we keep our community clean.

Can you think of a time that you were helpful at school?

Thank you for helping me finish my newest episode of Buzz Elementary! I can't wait for kids to watch it so they can learn about communities.
