

Name: _____

Statue of Liberty as a Symbol

Meet Monty. Monty is an aquarium designer. An aquarium designer creates aquariums. Aquariums are homes for fish, plants, and other animals. Aquariums have water and food in them.

Today, you will help Monty design a new aquarium that people can buy. This aquarium will be a special aquarium because it will have the Statue of Liberty in it! Follow the steps below to create your aquarium!

Step 1: Learn About the Statue of Liberty

Read about the Statue of Liberty. Then, answer the questions.

The Statue of Liberty is a tall statue in New York City. This very tall statue stands in New York City Harbor.

The Statue of Liberty was a present from the people of France. The statue was brought to the United States by ship in 1885. That was over 100 years ago!

The Statue of Liberty's nickname is "Lady Liberty." The statue is of a woman wearing a robe. A robe is like a long dress. The woman also has a crown on her head.

Can you find the robe and the crown? Point or to them on the picture or circle them.

Lady Liberty is holding a torch in one hand above her head. A torch is a kind of light that helps people to see. The torch has a flame on the end. Lady Liberty holds a tablet in her other hand. A tablet is like a book. Can you find the torch and tablet? Point to them on the picture.

The Statue of Liberty is an important symbol in the United States. A symbol is an object that stands for something. The Statue of Liberty is a symbol of freedom. Freedom is the ability to act, think, and feel how you want. For example, people have the freedom to read any books that they want. People also have the freedom to practice any religion that they want.

The Statue of Liberty is also a symbol of friendship between the United States and France. France helped the United States to become free from England.

Name: _____

Statue of Liberty as a Symbol
